This plan allows you to leave your camper on the site for the month and have 6 nights of camping included in your monthly rate. Extra nights will be charged at regular daily rate MINUS \$10.00. A day ends at 4 p.m. If you are still here after that time, you will be charged the daily rate. The 6 nights DO NOT INCLUDE HOLIDAYS (Memorial Day is May 24, 25, 26, 4th of July is July 3, 4, 5, 6, 7; Labor Day is August 30, 31, September 1, 2). Regular holiday rates are charged for those days and checkout is at 11 a.m. Later checkouts are available if approved through the office.

A boat dock is included for your 6 nights. Extra days for dock will be charged \$10.00 per day. Please call the office to make arrangements for a boat dock for every weekend you will be here. DO NOT ASSUME THAT THE BOAT DOCK IS YOURS BECAUSE YOU ARE HERE.

The program includes 2 vehicles. Boat/jet ski trailers and extra vehicles MUST fit on your site. When available, we offer storage for \$8.00 per day. You MUST call the office in advance to make arrangements. If a trailer or vehicle is found on another site without approval from the office, your account will be charged. No Exceptions.

The site is for you, spouse or significant other and your children under the age of 18. It does NOT include friends or extended family members (including grandchildren). The extra person fee is \$5.00 per day and guests MUST register in the office. We do not allow guests in your RV unless you are present.

Rent and electric payments are due the 1st of every month. After the 5th of the month and every 5 days after that, a \$25.00 late will be added to your account. Upon check out, it is your responsibility to make sure that your electric bill is paid.

You will be assigned a gate card. Your account will be charged \$10 for each card assigned to you. If you turn the cards in upon your departure, your final electric bill will be credited for the amount of the cards. We do a visual gate report daily, so if someone uses your card, you will be charged. If someone is trying to get in at night, do not let them in. There is an emergency phone next to the office door where an employee can be reached. This will help keep our park secure.
